

Year 9 German Curriculum Overview

Rationale for Year group & Skills: In German students will undertake three lessons per fortnight. During lessons, students will continue to develop their vocabulary and the key literacy skills of listening, speaking, reading and writing from Year 7 and 8. Students will become more creative with their German language. They will study topics, such as: music and fashion, TV and film, technology and relationships with friends. There will be a focus on becoming confident with three tenses: past, present and future. They will explore German-speaking styles of music, singers and groups.
